Dear President Hogan,

On behalf of the Asian American Student Body, we would like to thank you for taking time out of your busy day to answer our questions and give us more insight on what it is like to be President of the University of Connecticut. Our student population really enjoyed the opportunity to meet you, and now we're more enlightened about the operation of the University and the goals that you've set for our University's future. We enjoyed your visit, and would be delighted if we could have another meeting sometime during the next academic year.

Attached is a picture of our entire group for your blog. Again, we'd be delighted to invite you again to come visit our cultural center and meet the Asian American students on this campus.

Sincerely yours,

Alan Tan, President of the Asian American Student Body and the Asian American Students Association
Cathy Yee, President-Elect of the Asian American Student Body and the Asian American Students Association
